The Minister for Housing, Local Government & Heritage has determined that the prescribed period for the holding of the 2026 Annual Budget meeting is 3rd November 2025 to 28th November 2025. The statutory budget meeting will be held on Thursday 20th November 2025 and the budget must be adopted within a 14-day period commencing on that date. The draft budget has been prepared in the format prescribed by the Department of Housing, Local Government and Heritage.

- **Match funding requirements for the capital investment programme**
- **Pension costs**

In preparing budget 2026 particular emphasis is given to maintaining customer facing services including public realm. The 2026 budget has ringfenced additional funding secured from Local Property Tax to maintain and enhance high standards of public realm.

2. Local Property Tax

(a) Variation of the basic rate of Local Property Tax

Under section 20 of the Finance (Local Property Tax) Act 2012, as amended by Local Property Tax Act 2013 and the Local Property Tax and Other Provisions (Amendment) Act 2025, a local authority may as a reserved function resolve to vary the basic rate of the Local Property Tax within its functional area. **The Local Property Tax (Local Adjustment Factor) Regulations 2022** provide the updated requirements for local authorities who may wish to vary their local property tax rates for a specified period, in accordance with section 20 of the Act.

(b) Local Property Tax/ Local Government Fund allocation 2026.

By circular letter Fin 09/2025 the Department of Housing, Local Government and Heritage notified the Council of a 2026 provisional Local Property Tax (LPT) allocation of **€9.214 million**. LPT allocations were calculated based on an estimated yield (pre variation) for the 2026 LPT liability year given that a revaluation of LPT is taken place in 2025.

At the meeting of the Council held on Monday 14th July 2025, it was resolved to vary the basic rate by +15% for the years 2026 – 2029 generating an additional income of €669,837 in 2026. (€206,127 in 2025).

The Council will continue to engage with the Department to make its case for additional funding in the future.

3. Municipal Districts - General Municipal Allocation and Draft Budgetary Plan

The meetings of the Tullow Municipal District, the Carlow Municipal District and the Muinebheag Municipal District to consider the 2026 General Municipal Allocation and Draft Budgetary Plan were held on Thursday 16th October, Monday 20th October and Wednesday 22nd October 2025 respectively. The following Budgetary Plans were adopted and include an increased provision of € 527,000 with particular emphasis on

maintaining frontline and customer facing services including public realm, the maintenance of parks, open spaces, and street cleaning. In addition, the cost of maintaining the Councils social housing stock including general maintenance and relets under the VOIDS programme required increased budget allocations.

The increased allocation for Municipal Districts in 2026 follows additional allocations of €200,000 in 2025 and circa € 600,000 in 2024 as part of funding secured under the Local Property Tax baseline review in 2023.

- Economic Development
- Community Supports & Initiatives
- Public Lighting
- Street Cleansing
- Roads & Footpath upkeep
- Fire Service
- Parks & Open Space
- Libraries

- Quality of Life in Carlow

(a) General Annual Rate on Valuation 2025

In 2023 the Council approved a 5% increase in the Annual Rate on Valuation (ARV) which was the first increase in thirteen years. In addition, the Council adopted a Business Support Grant Scheme in 2023, 2024 and 2025 which enabled rate payers to avail of a grant to the value of circa 10% of their annual rate demand (*excluding arrears*) to a maximum of € 250 and subject to prompt payment.

(b) Profile of Commercial Rate accounts

The table below profiles the commercial rate accounts within bands. It should be noted that **73% of rate payers in Carlow fall within the lowest three bands.**

(c) Rates on vacant premises:

Section 9 of the Local Government Rates & Other Matters Act 2019 commenced on 6th November 2023 and provides for a scheme for the abatement of rates in respect of vacant properties.

2025 Scheme

At the 2025 Annual Budget meeting the elected members resolved to make a scheme for the abatement of rates due by liable persons, or classes of liable persons, in respect of vacant properties in accordance with the provisions of Section 9 of the Local Government Rates and Other Matters Act 2019, as amended. Section 9 allows for greater flexibility and customisation of schemes than heretofore to be used as a tool to discourage commercial vacancy. The scheme in respect of vacant properties provided for the abatement set out in the table below in respect of rates due to Carlow County Council by a liable person for the financial year ending 31st December 2025.

Scheme for the Abatement of Rates in respect of Vacant Properties <i>(Section 9 of the Local Government Rates and Other Matters Act 2019 as amended)</i>				
Band	Annual Rate Demand Financial Year Ending 31st December 2025			% Abatement
Band A	Less than or Equal to	€	5,000.00	100%
Band B	Greater Than	€	5,000.00	100%
			First € 5,000	
			Greater Than € 5,000	50%

Levels of Vacancy & Collection

The current level of commercial vacant property in Carlow is circa €1.4 million. Under the terms of the 2025 abatement scheme circa €200,000 net per annum is payable. While the current abatement scheme may not generate a significant amount of cash in the short term, it does, however, act as an incentive to bring vacant commercial property back into productive use and supports the Councils objectives for town centre regeneration. **A similar provision has been factored into the 2026 draft budget.**

(d) Scheme for waiver of rates:

By circular letter Fin 10/2024 the Local Government Waiver of Rate Regulations 2024 (Section 15) which came into effect from 10 July 2024. Elected members have the discretion to introduce waiver schemes that support objectives outlined in their County Development Plans, Local Area Plans, Local Economic and Community Plans and the National Planning Framework.

A proposal to recommend a waiver scheme (or an amendment to a waiver scheme) must be put before a Strategic Policy Committee (SPC) by the 30th June in a given year. An SPC may endorse, reject or renew a proposal as it sees fit and a Local

Authority shall not be permitted to have in operation more than one waiver scheme in any given local financial year.

Funding of a waiver scheme may be approved at the annual budget meeting. The options available to fund a scheme include:

- **Increasing commercial rates**
- **Increasing LPT**
- **Reducing services**
- **Increasing other income where there is discretion to do so locally**

Any proposal under Section 15 requires careful consideration from members of the Strategic Policy Committee having regard to the impact on ratepayers and the revenue implications for the Council.

An invitation was extended to all elected members to attend a meeting of the Strategic Policy Committee for Planning, Economic Development, Regeneration, Finance, and ICT on 15th April 2025, for an outline of the requirements and implications of commencing a Section 15 waiver scheme. The members of the committee agreed not to bring forward a scheme as part of budget 2026.

It is also important to note that locally designed business incentive schemes under Part 9 of the Local Government Act 2001 can continue to be used after the commencement of Section 15 and the Council has successfully adopted such a scheme since 2023 as outlined earlier in the report.

5. Parameters for the Draft Budget 2026

Additional funding secured for 2026 following a variation of the basic rate of Local Property Tax is ringfenced for the Municipal Districts and will have a very positive impact on frontline customer facing services and public realm. Significant challenges have persisted however, with the impact of inflation in the procurement of goods and services and the requirement for the Council to continue to deliver high standards of services against a background of a largely static commercial rates base.

Other significant challenges include increasing demand for fire services, match funding requirements for the capital investment programme, increasing pension costs, funding for additional staff, office accommodation needs and funding uncertainty for stranded costs associated with the Uisce Eireann transition programme post 2026.

The Draft 2026 Budget as presented has regard to the following drivers.

- ***Core Services:*** Provisions have been prioritised to maintain core services and to limit the impact of recent inflation for goods and services.
- ***Public Realm:*** Additional provision of € 446,000 has been allocated to Municipal Districts to include support for open spaces and street cleaning to maintain existing high standards, following significant capital investment to town streetscapes across the county in 2024 and 2025.
- ***Public Service Pay Agreements:*** Provision has been made for the estimated additional costs on the basis that those costs will be recouped by Central Government.
- ***Fire Service Costs:*** A provision of € 640,000 has been made for the estimated net additional costs in 2026 of operating the Fire Service due to increasing demands for services and costs associated with retained fire service pay agreements. The net additional cost includes Central Government support for retained fire service pay costs and revenue generated from the Hacketstown Training Centre.
- ***Energy Costs:*** Provision of € 450,000 has been made to meet continuing additional energy costs when compared with the 2022 adopted budget.
- ***Climate Change:*** Provision has been made for climate change initiatives including the implementation of the Climate Action Plan.

- **Economic Development:** Provision of € 902,500 has been made to assist in stimulating economic and business development.
- **Community Development:** Provision of € 2.2 million has been made to support the Council's role in advancing community development and public participation.
- **Capital Investment Programme:** Provision of € 1.0 million has been made to support the match funding requirement for the capital investment programme as a stimulus for future economic growth.
- **Corporate Estate:** Provision has been made to address the current office accommodation and carparking needs.
- **Central Government Grants:** € 39.9 million in projected grant income is included in the draft budget.
- **Uisce Eireann:** The assumption is made that the implementation of the Uisce Eireann transition programme will be cost neutral on the Council and any stranded costs arising will be fully recouped by Central Government in 2026.
- **Integration/Ukrainian humanitarian response:** The assumption is made that all associated costs will be fully recouped by Central Government in 2026.
- **Commercial Rates:** The General Annual Rate on Valuation in Carlow for 2026 has been calculated at € **0.2700**. It is recommended that the members continue with the current abatement scheme in 2026 to encourage the productive use of vacant commercial premises.
- **Local Property Tax:** In July 2025, the Council resolved to vary the basic rate by + 15% for the period 2026 - 2029 generating additional income of €669,800 in 2026.

6. Principal Service Costs included in the Draft Budget 2026

The Council has a statutory role in supporting / facilitating enterprise and in the development of local communities. The Council's remit was extended following the establishment of the Local Enterprise Office, the Local Community Development Committee, the Public Participation Network and the adoption of the Local Economic and Community Plan. To progress the development of these areas of responsibility the Council is required to provide match funding from limited resources to support funding allocations from government departments and state agencies. I mentioned earlier in this report that provision has been made to assist in stimulating economic development in the county which is contingent on the anticipated level of Commercial Rates income. 8. Capital Investment Programme 2026 – 2028

Section 135 of the Local Government Act, 2001 (*as amended*) requires the Chief Executive, prior to the start of each financial year, to prepare and submit to the elected members a report indicating the programme of capital projects proposed by the local authority for the forthcoming and the following two local financial years having due regard to the availability of resources. As estimated in the following table circa 82% of capital expenditure is funded through grants from Central Government and as the notification of certain grants are communicated on an annual basis it is difficult to project capital spend over a three-year period. Accordingly, the tables below are indicative only and subject to funding allocations over the three-year period. Individual capital projects will be brought to members on a scheme-by-scheme basis during 2026 and thereafter.

2026 - 2028 (DRAFT) CAPITAL PROGRAMME	ESTIMATED EXPENDITURE	GRANTS	LOANS	OTHER INCOME	TOTAL INCOME

In addition to the ongoing delivery of the Housing Capital Programme the Council has secured significant Central Government funding for capital projects that will be advanced over the period 2026 – 2028 including the Carlow Town Urban Regeneration Project (URDF € 17.1 million), Tullow Road Community Hub (€ 4.1 million), Water Hub Activity Centre (€ 4.2 million) and the Former Bank of Ireland Regeneration (€ 3.9 million). A regeneration team continues to deliver the Governments Town Centre First

Policy through a series of funding streams utilised to support the repurposing of vacant properties and derelict sites. The provision of match funding of € 1 million in the 2026 budget is a key enabler for the current capital investment programme and a stimulus for future economic growth.

9. Conclusion

In conclusion, the adoption of the annual budget is one of the most important functions of the elected members. I wish to thank An Cathaoirleach, Cllr. Ken Murnane, the members of the Corporate Policy Group and all the members of the Council for their role in advancing the annual budget. I wish to thank the Cathaoirleach of the Muinebheag Municipal District, Cllr. Daniel Pender, the Mayor of the Carlow Municipal District, Cllr. Paul Doogue and the Cathaoirleach of the Tullow Municipal District, Cllr. John Pender. I also wish to thank staff in the Finance Department, the Management Team and staff at all levels in the Council who inputted into the budget process.

This Council like all Local Authorities is again facing significant challenges in 2026 due to demands for enhanced and expanded services, the impact of inflation in the procurement of goods and services and additional pay costs. In addition, match funding requirements are projected to increase significantly in line with the capital investment programme. Additional funding opportunities at a local level including commercial rates will be key enablers going forward to maintain the Council on a firm financial footing and to stimulate economic growth.

The 2026 draft budget has been prepared based on best available information and accordingly I recommend the draft budget 2026 to Council for consideration and adoption.
