1.0 Introduction/Foreword

This Corporate Plan serves as the Council's strategic framework for action during the lifetime of the Council. It outlines Carlow County Council's Strategic Objectives and supporting strategies for the period 2020 - 2024, in relation to the Council's Mission and Core Values.

The Plan has been prepared following a consultation process and review by the Corporate Policy Group. It will be the primary influence for the preparation of the Annual Budget and Service Delivery Plans, through which the Council will seek to achieve its objectives. The Corporate Plan is also the foundation on which Annual Work Programmes and Personal Development Plans are based. The Plan includes a framework for the implementation, monitoring and review of these objectives, which will ensure that the Plan remains focussed, flexible and responsive in-an- ever changing environment.

In compliance with the Local Government Act 2001, as amended, this Corporate Plan is prepared on the basis of an organisational-wide strategic approach encompassing the various activities of the Council. The Plan includes the main objectives and priorities for each of the Council's principal activities and is designed to meet the circumstances of the local authority, whilst preserving flexibility in order to meet the demands of a changing environment.

In preparing the Plan the Council has been cognisant of cross cutting issues such as Social Inclusion, Equality, Climate Change Mitigation and Adaptation Objectives, and Sustainable Development together with Quality Service and Community Leadership. The Council is also cognisant of the Public Sector Equality and Human Rights duty as set out in Section 42 of the Irish Human Rights and Equality Commission Act 2014. This duty obliges the Council to have regard to the need to;

- (a) Eliminate discrimination
- (b) Promote Equality of Opportunity and treatment of its staff and the persons to whom it provides services and
- (c) Protect the Human Rights of its members, staff and the persons to whom it provides services

Carlow County Council is committed in this Plan to supporting the Transforming Lives Programme in relation to people with disabilities to support participation in cultural, recreation, leisure and sporting activities and in fulfilling its role in ensuring that housing for people with disabilities is an integral part of mainstream housing efforts.

The Council's role in relation to migrants and new communities is reflected in the Corporate Plan and will be further detailed in the County Carlow Migrant Integration Strategy 2020-2022.

With Carlow County Council being one of twelve Sustainable Development Goal champions representing Local Authorities and the Government Sector, this Plan is reflective of that role.

The Elected Members and staff are fully committed to the implementation of the Plan, and look forward to working with the various statutory, voluntary and community bodies with whom the Council shares a common interest in the development of County Carlow.

Cathaoirleach

Kathleen Holohan
