- (ii) at the junction of the Hanover Road meeting the Kilkenny Road (per the attached map) to allow for the safe passage of traffic.

Standing in the name of Cllrs. John Cassin & F. Phelan

'Carlow County Council is very concerned given that on average, Carlow residents are 40km from the nearest Emergency Department the equivalent to a 37-minute drive during off peak times. The longest average in the country. This coupled with, at times, low ambulance cover can be life threatening. Carlow County Council calls on the Minister for Health to address the council on what measures will be taken to alleviate this issue.'
