## 7.0 Notices of Motion/Fógraí Rúin

### 7.1 Standing in the Name of Cllr. William Paton

"Carlow County Council calls on IPB Insurance in co-operation with local authorities to take all necessary steps, to ensure that public liability insurance is offered to not-for-profit organisations in this sector at the cheapest rates that are consistent with financial prudence and the avoidance of loss."

### 7.2 Standing in the names of Cllrs. William Paton, Fergal Browne, John Cassin, Andrea Dalton, Michael Doran, Arthur McDonald, Brian O'Donoghue, Tom O'Neill, Fintan Phealn, William Quinn and Adrienne Wallace

"In light of the recent theft of defibrillators in Counties Louth and Wicklow, that Carlow County Council supports the **Life Saving Equipment Bill 2017** as introduced by Senator Keith Swanick, which is supported by CFR Ireland, and calls upon the Government to bring about the speedy enactment of this bill.

Note - The Life Saving Equipment Bill was initiated in 2017 by Senator Keith Swanick. It proposes penalties of up to 5 years imprisonment and €50,000 fine for those convicted of theft or, or damage to, a defibrillator or life buoy. CFR Ireland was glad to support this bill when it was proposed. It is now stalled in the houses of the Oireachtas."

### 7.3 Standing in the name of Cllr. Adrienne Wallace

"That this council write to the Education Minister to call on him to enact the Traveller Culture and History in Education Bill 2018 which seeks to

introduce Traveller history and culture on the school curriculum to help stop discrimination."

#### **7.4 Standing in the name of Cllrs. J. Cassin, W. Paton and W. Quinn**

"Carlow County Council send no representative to the Royal Irish Constabulary commemoration ceremony being held in Dublin on the 17th January 2020"

#### **7.5 Standing in the name of Cllr. A. Gladney**

"This council will not participate or have representation at the event to commemorate the Royal Irish Constabulary and the Dublin Metropolitan Police at a ceremony in Dublin Castle on the 17th January. The RIC and the DMP had an intolerable record of barbarism in this country while carrying out British rule in Ireland.

This was the police force that brutalised and murdered workers in Dublin during the 1913 lockout. This was the force that identified those to be executed after the Easter Rising.

This was the force that supervised the eviction of thousands of impoverished people from their homes leaving them destitute on the roads or inside the workhouse.

That this obscene event is taking place is not only an affront to generations of patriots who struggled to end centuries of imperial tyranny but it seeks to question the very legitimacy of our battle for independence and sovereignty.

Only a subservient Government suffering from a post colonial state of mind and ashamed of our revolutionary history would encourage this disgraceful event."
