“Carlow County Council recognizes that people with disabilities have the same right to use and enjoy public spaces that we all share, therefore we wholeheartedly support the establishment of an annual national “Make Way Day” taking place on 26th Sept, 2018. Carlow County Council will annually support and promote a local #MakeWayCarlow campaign as part of the wider “Make Way Day” and we will write to the government calling on them to support, establish, fund and resource an annual national “Make Way Day” which would be localised in each region. The purpose of this day is to highlight, to all of us, the small actions and adjustments we can make to ensure those with disabilities can use and enjoy our public spaces.”

Standing in the name of Cllr. John Cassin
“This Council supports County Carlow becoming free from goods and services produced in Israeli settlements illegally established on stolen Palestinian land and therefore urges Councillors to support the Control of Economic Activity (Occupied Territories) Bill, 2018.”
