6.0 Notices of Motion/Fógraí Rúin

- 6.1 Standing in the name of Cllr. Fergal Browne

"That Carlow County Council allocate funding for improvement works to existing local authority houses by redistributing the amount of funding currently available to private households via council grants."

6.2 Standing in the name of Cllr. Adrienne Wallace

"That this council write to the Taoiseach with immediate effect to call for all employers to introduce mandatory sick pay for all workers. The rise of Covid-19 cases in meat factories can be directly linked to bad working conditions, including no sick pay. The Government must take direct action and bosses must put public health before profits."

6.3 Standing in the name of Cllr. William Quinn

"I am calling on Carlow County Council to put in place a team of staff members to deal with the important issues of the Right of Ways of existing walkways, mass paths, entrance to green ways and cycle tracks, grave yards, parks and forest walks, all these issues need to be sorted as a matter of urgency, before October 2021, which is the closing date or our existing right of ways will lose their status

6.4 Standing in the name of Cllr. William Quinn

"I am calling on the Minister for Social Protection and the Minister for Finance to bring forward the Christmas Bonus a month earlier this year, this will give especially the elderly people a chance to do their shopping, due to Covid restrictions. I think this would make things a lot easier and will give people extra time"

6.5 Standing in the name of Cllr. William Quinn

"I am calling on Carlow County Council to write to the Minister of the Environment requesting him to review the recent legislation brought in regarding private house rural water grants and also waste water grants, that states that 3 quotations are required, I am asking the minister to change this back to 2 quotes for both grants, this is due to the fact that many registered contractors are charging between €100 and €200 just to give a quotation, and if they are successful in their quotation they then waver this charge"
