4.0 Notices of Motion

4.1 Standing in the name of Cllr. Adrienne Wallace

"Carlow council calls on the government to vote against the Comprehensive Economic and Trade Agreement (CETA) with Canada. As it is, the deal threatens our environment and our public health, and gives corporations the power to sue our governments in private courts for policies that affect their profits. We call on the Taoiseach to put people and the environment before corporate profits and work instead to support

agreements that are in the interests of all citizens. A copy of this motion should be sent to every council and to all government TDs in Carlow/Kilkenny."
