## 3.0 Notices of Motion

### 3.1 Standing in the name of Cllr. Adrienne Wallace

"That this Council commits to lighting up Carlow Town Hall and other public buildings red on May 1st, which is traditionally known as workers day. Covid-19 has shed a light on the nature of essential workers and the role they played in keeping people safe and society running during the Pandemic. As such we should celebrate the work of nurses, teachers, retail workers and the many others who played vital roles throughout the pandemic. "

### 3.2 Standing in the name of Cllr. Adrienne Wallace

"That this council writes to the government and demands an increase in the minimum wage to that of a living wage of €15 with immediate effect."

### 3.3 Standing in the name of Cllr. Adrienne Wallace

"That this MD writes to the Taoiseach to ask him to classify family reunification, including the reunification of long-distance couples whether married or not, as essential travel for the duration of this pandemic. As such it would stand that anyone travelling for this purpose will still have to abide by every other health and safety regulation including quarantining and testing but would not face any criminal convictions or fines."
