"The Elected Members request the Executive to separate the (L4058) Snoddy Road from the proposed Southern Relief Road. This action is required so this very important stretch of road can be completed in this Council Term. This road was originally a standalone project. In 2016 CPO's were ready to be issued but due to circumstances outside the Councils Control these CPO's were never issued.

The Council took possession of the footprint of this road in December 2024 with agreement from the Receiver. This very important 2km stretch of road cannot be delayed any further and will be a game changer for the residents of the Tullow Rd, 19.5% of the population of Carlow Town and traffic on the Tullow Rd.

The finance from this road can be financed 50% Development Levels and 50% from a long term Loan".

Cllr Ken Murnane

Cllr John Cassin
